Dear Gottlieb:

Writing to enclose check for umpires transportation for June.

Next please let me know right away what you have in mind for my dates in Newark. Leuschner wants me to let him know which team I will play in New York Aug. 4th. If I am only going to have one of those teams here in Newark I would prefer playing the other one in New York. I want to know right away so I can get the hand schedules made up.

I also want two teams in Trenton August 31st and Sept. 6th.

What did we finally decide about The Clowns. We can have the 22nd here if we want it.

I had a letter from Brady Johnson. The trip south is all set. If he does not handle this one right we will cross him off our list. I think he may see the handwriting on the wall and do a little better.

Have you heard anything about the bus? The one I am chartering for this trip is costing \$650.00 for the western part. I wish I was putting that on a new bus. Has the man you have working given you any encouragement? Please let me hear from you.

Very Truly Yours
